

Launching IB Stream

International Baccalaureate

Primary Years Programme (PYP)

Exciting News for Parents

Don Bosco Egmore is launching a Parallel IB Stream in the Primary Section at our Matriculation School campus.

- **World-class international curriculum**
- **Starting with JKG, SKG, Grade I & II**
- **Limited to 24 students per section**

Classes Initially Offered

- **Junior Kindergarten (JKG) - 1 Section**
- **Senior Kindergarten (SKG) - 1 Section**
- **Grade I - 1 Section**
- **Grade II - 1 Section**

Key Highlights

- **Air-conditioned classrooms for optimal learning**
- **IB-trained faculty with international expertise**
- **Limited class size - only 24 students per section**
- **Personalized attention for each child**

More Highlights

- **International curriculum with inquiry-based learning**
- **Co-educational environment**
- **Focus on holistic development**
- **Student agency and voice emphasized**

Campus Information

IB classes will initially function from the Matriculation campus at Egmore.

- **New dedicated IB building is planned**
- **Classes will shift to new premises post-construction**
- **Designed for optimal IB learning environment**

About IB Primary Years Programme (For more information www.ibo.org)

The PYP is IB's world-renowned curriculum framework for early and primary years.

- Goes beyond textbooks and rote learning
- Nurtures curious, confident, caring learners
- Inquiry-based approach to education

PYP Learning Focus

- Conceptual understanding over memorization
 - Critical and creative thinking skills
 - Communication skills development
 - Collaboration and teamwork
- 

Student-Centered Learning

- **Real-world connections in all subjects**
- **Student voice, choice, and ownership**
- **Hands-on activities and projects**
- **Joyful and meaningful learning experiences**

At Don Bosco Egmore

- **Strong foundation in core academic subjects**
- **International-mindedness rooted in Indian values**
- **Creativity, innovation, and leadership opportunities**
- **Child-centered learning environment**
